

MCLB ALBANY

Substance Abuse Counseling Center

(229) 639-5252 or DSN 567-5252

The Marine Corps recognizes that alcohol and drug problems can be positively affected through counseling, education, treatment and rehabilitation programs. The MCLB Albany Substance Abuse Counseling Center (SACC) provides services to active duty members, family members 18 years and older, and retirees. The SACC is also available to help with referrals for younger family members. A certified substance abuse counselor conducts counseling and treatment for the installation. Currently MSgt Tobey Robertson is the point of contact for services.
